

**NORTH ORANGE COUNTY COMMUNITY COLLEGE DISTRICT
GOVERNING BOARD MEMBER
TRUSTEE AREA 3**

NANCY M. RICE

OCCUPATION: Chief Finance Officer

As a Chief Finance Office, I understand the competing demands placed upon public education. At Cypress College, Fullerton College, and Continuing Education Centers throughout the North Orange County Community College District, students may economically complete courses for university transfer, train for a specific vocation or upgrade job skills. Such opportunities are vital to California's future.

Since being elected to the Board of trustees, I have coupled my knowledge of finance with a commitment to maintaining sound educational programs. I participated actively on a Board investment policy committee and a Board audit committee. I critically reviewed expenditures and asked probing questions about the fiscal stability of the District.

My husband and I have two adult sons with families of their own. We actively participate in church and care passionately about the quality of life in our community. I am not a politician. I want to make a difference. When voting on issues, I ask, "Is it ethical, legal, and appropriate? Does it serve students and our community?" The answers guide my vote. I ask for your vote now and invite you contact me with your comments or questions at NancyRiceforBoard@yahoo.com.
